

When You
Need to Go Live,
We Make it Happen...

LIVEU **LU80**

TELL US WHERE YOU NEED OUR UNITS AND WE WILL GET THEM THERE!

Our experienced events team is here to understand what you need and offer you the most suitable package. Tell us when and where you need the unit, and we will get it delivered to your destination hassle-free. We offer short-term rentals; from one day/one week to three months. We will provide a data-package tailored to your needs. Our support team will also be available to you throughout the event. All you need to do is set up and go live.

ELECTIONS

We offer complete solutions to media outlets wishing to cover the most logistically complex elections. See how we collaborate with customers to create the most comprehensive coverage.

SPORTS EVENTS

Our renowned units have been used to deliver brilliant sports coverage from the biggest sporting events in the world. See what they can do for you.

SATELLITE SOLUTIONS

LiveU is making it easier and more cost-effective for customers to cover news and events live—wherever they are in the world—by combining LiveU's HEVC bonding technology with Satellite connectivity service.

This solution gives customers “the best of both worlds”—a robust hybrid live solution that fits their production needs and streamlines the workflow.
